PRINCIPAL'S MESSAGE

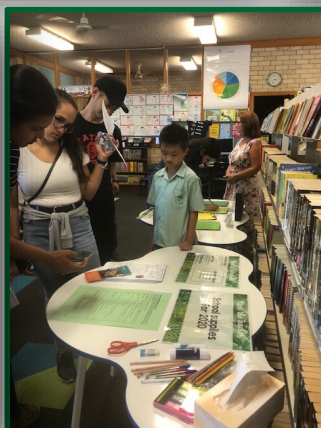

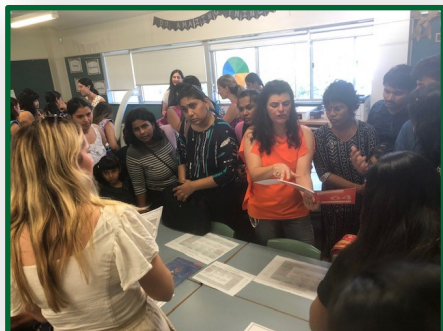

MEET THE TEACHER

Thank you to all the families who joined us for the Meet the Teacher Afternoon Tea. This was an opportunity for you to gain some general information about various programs that are running across your stage and meet the teachers who will be working with your children.

The response in attendance was overwhelming, showing the commitment from our school community to work in partnership to maximise the potential of each and every child.

Please remember to complete your feedback survey so that we can evaluate our processes and continually improve the way in which we deliver this information next year.

You can complete the survey by clicking on the link <https://www.surveymonkey.com/r/7N7LC7B>

WORKING IN PARTNERSHIP TO PROMOTE STUDENT LEARNING

Students, teachers and parents must communicate in a meaningful and professional way when difficulties arise. Our staff will always find a time to talk to you when they can give you their full attention. Please remember that while our staff are in class or dealing with other matters, they may not be available to answer your questions immediately.

We endeavour to ensure that written communication is appropriate, fair and easy to read. We encourage you to use various forms of communication such as the School App, Newsletter, notes sent home, email and Class Dojo appropriately to connect with your school and stay up-to-date with up-coming events.

It is important to stay up to date with what is happening by using the various avenues that have been provided to you. We also encourage students to take responsibility in knowing what events are coming up by listening to announcements made by the teachers in the morning assembly, after lunch and recess as well as checking the student noticeboard outside the staffroom. Parents also need to role model this expectation by also listening during morning assembly and encouraging your child to take an active role and being responsible for their learning.

TIPS FOR PARENTS

The following tips will help you and your child at school:

- Establish good bedtime routines. Children aged between 6-12 years need between 9 and 12 hours of sleep. This means that they should be in bed between 7 and 9pm.
- Pack a healthy lunch box and a bottle of water before you leave home. Bringing lunch to school during the day is very disruptive for staff and students.

PRINCIPAL'S MESSAGE

- Teachers will encourage your children to eat, however they are not able to feed them or warm your child's food.
- Label everything that comes to school and makes sure that your child knows **they** are responsible for it.
- Let your child know their requirements for the day, for example a library bag or sports equipment and let them know that it is their responsibility to be prepared for the day.
- Allow them to walk to class on their own, carrying their school bag and say goodbye at the morning lines.
- Allow them to unpack their bags and put away their hats and jumpers on their own.
- If you allow your child to use the equipment after school, please be aware that you are responsible for them.
- Use the Before and After School care service if you need to drop your child to school before 8.30am

STUDENT REPRESENTATIVE COUNCIL FOR 2020 - SRC

Congratulations to all the students who were voted by their classes to be their SRC members for 2020. These students will be involved in various leadership tasks throughout the year. Student voice plays an important part in making decisions on things that happen at school. The SRC participate in regular meetings where they discuss various projects and ways of improving the school from the students perspective.

Thank you to Miss Wilson and Mrs MacInnes for coordinating the SRC this year.

PRINCIPAL'S MESSAGE

HOUSE CAPTAINS AND VICE CAPTAINS FOR 2020

In Week 3, students from Years 3-6 voted to elect the House Captains and Vice Captains for 2020 for Bass, Cook, Flinders and Sturt. These representatives will have a range of responsibilities throughout the year, including generating house spirit at the Athletics Carnival and Cross Country; coordinating sports gala events; leading activities during Wellbeing Week every term; and being a good role model, showing sportsmanship, teamwork and fair play at all times. Congratulations to the following students on being elected to undertake this leadership role.

The House Leaders are:

	Captains	Vice Captains
Bass	Iris and Roger	Bai Hong and Alan
Cook	Avaani and Ashton	Sophia and Galvin
Flinders	Sourish and Arnav	Iyrene and Muunuu
Sturt	Anna and Daniel	Kavya and Tariq

SWIMMING CARNIVAL

This year unfortunately there were only 9 students who could swim 50 metres unattended and therefore participated in the Annual Swimming Carnival which was held at Hurstville Aquatic Centre.

All the students attempted to swim 50 metres in under one minute, to qualify for the Zone carnival.

Congratulations to Nichelle 5/6W, Jason 5/6M, Justin 4F and Etain 4Z who will be representing Kogarah PS at the Zone Swimming Carnival on Friday 6 March.

Thank you to all the students who showed excellent sportsmanship and outstanding behaviour as always and to Mrs Jackson and Mrs Adams for accompanying them on the day.

PRINCIPAL'S MESSAGE

KPS COFFEE CLUB

We are always looking for opportunities for meaningful interactions with parents which assist in communication about what is happening at our school.

One way of doing this is through our KPS Coffee Club. The purpose is to build connections with the community and work in partnership to improve communication and develop strong supportive relationships between parents, students and teachers.

The first Coffee Club for 2020 will be held during Wellbeing Week, which is celebrated in Week 6 of every term. We will be extending an invitation to parents who are available to join us during the morning to come for a coffee and to share information about the upcoming programs in the school. This will be held on:

Thursday 5th March from 9.00-10.00am in Dem 8

During this session, parents will have the opportunity to find out more about the Transforming Schools professional learning program which our school is involved in and how the Learning Disposition Wheel is incorporated into our class programs.

BACKFLIPS AGAINST BULLYING

The children from Kindy to Year 6 will be having an incursion from Action Education, who will be presenting their Acrobatic Bullying Prevention Show on Thursday 5 March.

The show delivers an important message about Bullying. The program is targeted at primary school children and focuses on showing the students how they can band together to help make a positive difference in their school.

The show aims to:

- Engage more heavily in the topic of bullying and victimisation by presenting incredible acrobatic and parkour scenes to capture their attention
- Discuss tactics to help prevent and deter bullying
- Empower the bystander; the most powerful person in any bullying situation!
- Provide professional-quality acrobatic entertainment to the school

The show times will be as follows:

10:20am - 11:20am - Session #1 K-2

12:30pm - 1:30pm - Session #2 Year 3 and 4

1:40pm - 2:00pm - Playground Roaming

2:00pm - 3:00pm - Session #3 Year 5 and 6

P&C (PARENTS AND CITIZENS)

P&C meetings are a good way of connecting with the school community.

You do not need to take on an active role, just come along and find out what is going on. Every parent at the school can become a member of the P&C, regardless of whether they attend meetings regularly or not. Our purpose is to assist the school in providing the best education possible for our children and to act as a liaison between parents and school on a variety of issue. We aim to foster co-operation between parents, teachers, students and the wider community.

The next P&C meeting will be Annual General Meeting (AGM)

Thursday 19 March at 9am in Dem 8

A new executive committee will be elected at this meeting. It is essential that you become a financial member before the AGM in order to be able to vote for the new executive committee. Membership is a gold coin donation.

CHESS!!

Learn to be a chess champion! Coaching for students at Kogarah Public School is held on Thursdays from 3:10pm to 4:10pm, starting on 13 February 2020.

Learning and playing chess helps children develop their logical thinking and problem solving skills, improves their concentration and focus, while also being a great source of enjoyment. Activities include group lessons on a demonstration chess board or interactive whiteboard, puzzle solving and fun practice games.

Students earn merit awards by making checkmates, or by displaying skills and positive qualities, which all good chess players strive to develop.

If your child is interested in taking part, you can collect an enrolment form from the school office, or email enrol@sydneyacademyofchess.com.au for a copy. For all enquiries, please contact Sydney Academy of Chess on (02) 9745 1170.

St George Girls HS Victoria St Kogarah Saturday & Sunday 4 & 5 April 2020

Dear Gifted and Talented Coordinator

May I take this opportunity to thank you for your wonderful support of the NSW Talent Enrichment Weekends held at St George Girls HS. I hope that you will consider involving the students of your school in these programs again.

Please find enclosed brochures advertising courses for the 94th MindQuest program which will be held at St George Girls HS on Saturday & Sunday 4 & 5 April, 2020 9.30am-3.30pm. You may wish more students to have an opportunity to attend through advertising the activities in your newsletter. It is anticipated that many of the **courses will be full before the closing date**. Feel free to photocopy any additional information required or ring me for additional brochures. Please encourage students to send in their application forms as soon as possible.

Many parents of students from **low socioeconomic backgrounds** may find difficulty in paying the course fees of \$210(Inc GST). May I draw your attention to a limited number of **part scholarships** for the enrichment weekend program, please contact me if you know of students who need financial assistance. I hope that you will promote this program to the staff and students in your school. I have appreciated the wonderful support schools have given in the past and I look forward to your continued support in the future.

Yours sincerely

Shelagh Poray

Director, NSW Talent Centre Pty Ltd

Closing Date is Friday 13 March 2020

We would be grateful if you could advertise the program in your newsletter.

MindQuest

**ST GEORGE GIRLS HS
VICTORIA ST KOGARAH**

On **Saturday 4 & 5 April 2020** the 94th NSW Talent Enrichment Weekend *MindQuest* will be held for primary students from Years 1-6 at St George Girls HS. These include gifted and talented students, gifted underachievers and students with above average ability with a special interest. Students will have an opportunity to participate in over **37 exciting, fast paced courses in the two day program**. They include courses in chemistry, earth sciences, drama, lego robotics, art and much, much more. Many of these highly successful courses have been run in the past and students' evaluations suggest that they have been challenged and enriched by the experience. The cost of the weekend is \$210 (including GST).
