

About the P&C

P&C meetings are a good way of finding out what is going on at school. You do not need to take on an active role, just come along and find out what is going on. Every parent at the school can become a member of the P&C, regardless of whether they attend meetings regularly or not. Our purpose is to assist the school in providing the best education possible for our children and to act as a liaison between parents and school on a variety of issue. We aim to foster co-operation between parents, teachers, students and the wider community.

What happens at a P&C meeting

- The Principal's Report - Mrs Comninios updates the P&C on happenings at the school, upcoming programmes and initiatives for students & staff
- General Meeting - Open to all attendees to put forward ideas for discussion and consideration

Aims of the current P&C

- Create a community that provides support, information and friendship for all families
- Increase access to and the range of extra-curricular activities offered to students
- Seek external grants to assist with funding programs or improving school facilities
- Work with the School, Council and the RTA to improve safety on the streets surrounding the school

We are looking for good ways to promote community spirit, celebrate key cultural events, organise play gatherings, welcome new families to the school or fund raising activities. All ideas are welcome! You can email them to us below. See you at the next meeting.
